"The ability to serve God faithfully through the years and through the temptations of life is not something we achieve by heroic virtue. It comes from the Spirit." - Henry Morris

"Faithfulness is the quality of keeping commitments in relationships. The Galatians had proved to be fickle in their attitude toward Paul (4:13-16). Only the Spirit can produce the quality of loyalty no matter the cost."

to First Baptist Church Plant City

I don't know how many times I have said, "Finally!" after something long and drawn out has come to completion. But there was comfort and relief to know the task, struggle or storm was finished. What about that struggle you have battled for a long time? Would you like to be free - finally free? Paul tells us how it can happen in Galatians 5. Over the next few weeks we will look at some prominent strongholds and learn how to be finally free. Do you want to be free?
